## Services Not Listed Above

The following items on the provider's statement were **not submitted** or were **rejected** by the plan:

- Duplicate charge for CPT 29826 (second line — already paid once)
- CPT 29822 (Arthroscopy Debridement) — bundled into CPT 29826 per CMS NCCI edits, not separately reimbursable
- J1100 Dexamethasone — only 1 of the 4 billed units is clinically appropriate for this procedure; units 2-4 denied as not medically necessary
- J3490 (Unclassified Drug — Bupivacaine Liposome) — denied; this is a non-covered drug under your plan formulary
- HCPCS A4649 (Operating Room Supplies) — bundled into facility fee per plan policy, not separately reimbursable
- CPT 99152 (Moderate Sedation) — bundled into anesthesia code 00450, not separately reimbursable when general anesthesia is billed

If the provider has billed you for any of the above items, you are not responsible for those charges. Submit an appeal through the provider's billing department citing this EOB.
